INDUSTRIAL PASS DOORS

SECURE & SIMPLE ACCESS TO YOUR FACILITY

The Platinum Series is our premium line of products. The product line features exclusive product features and enhanced performance.

Ask about upgrading!

Lenworth industrial doors (pass/personnel doors) provide easy in and out access to your facility. These doors include ultra strong, tack welded seams and a clean painted finish, and are locally manufactured in Toronto.

We provide all types of new installations including wall cut outs, frame replacements and fire door installations. We have hardware stocked to repair any existing door, hinges, panic bars, closers, deadbolts and more.
